#### **IV. Election Item**

##### **(I) 24th term Board of Directors election of 15 seats (including 5 seats of Independent Directors). (Proposed by the Board of Directors)**

Notes:

1. The three-year term of all directors of the 23<sup>nd</sup> Board will be end on June 21, 2021. According to Article 199-1 of the Company Act, and for 2021 Annual Shareholders' Meeting held and election of 24<sup>rd</sup> term directors, all directors of the 23<sup>nd</sup> Board will be dismissed on the date that the Shareholders' Meeting dated of June 11, 2021 elects new directors.
2. According to Article 14 and 15 of the effective Company's Articles of Incorporation, the Company shall have fifteen (15) directors, including five (5) independent directors. All Directors shall have a term of three (3) years and be eligible for re-election upon expiry of such term.
3. The fifteen (15) directors elected by this Annual Shareholders' Meeting on June 11, 2021 will have assumed office for a term beginning from June 11, 2021 to June 10, 2024.
4. Reasons for the candidate being nominated again for the independent director who has already served for three consecutive terms
  - (1) Mr. Yu-Cheng, Chiao has extensive practical experience in the industry. During his term as an independent director of the company, he provided appropriate advice and guidance on the company's operations, financial and business analysis, and it is expected that he can continue to supervise the operation of the company.
  - (2) Mr. Victor Wang has many years of experience as an accountant. He serves as the convener of the functional committee and carefully evaluates various proposals such as remuneration, risk management, auditing and finance as well as the company's internal control. The company's transformation and international development need to rely on his professionalism.
5. The proposal has been approved by the 24th meeting of the 23rd term

Board of Directors.

6. Please vote.

**Supplementary explanation:** Pursuant to “The Related Postponement Measures of the Listing Company’s Annual Shareholder’s Meeting during the Pandemic” announced by Financial Supervisory Commission, the Annual Shareholders’ Meeting is postponed to July 5th, 2021, was originally intended to be held on June 11th, 2021. Accordingly, the term of each 24th-term director will be amended from July 5th , 2021 to July 4th, 2024.

### **Business Report**

In 2020, the spread of the Coronavirus (COVID-19) on a global scale caused the world economy to come to a near halt and the Earth to turn quiet. From the natural environment, we are reminded again of the importance of a “circular economy”. Therefore, Taiwan Cement (TCC) sets out the roadmap to deliver carbon neutral concrete products by 2050 using low-carbon cement and building material, waste treatment, and renewable energy development as the basis.

In 2020, TCC achieved several milestones. TCC’s subsidiary in Côte d'Ivoire began manufacturing environmental cement products, while Guigang TCC Dongyuan Environmental Technology began waste treatment projects. Furthermore, TCC Hoping Plant’s cement kiln co-processing of waste treatment Build-Operation-Own (BOO) project in cooperation with the local government had passed environmental inspections. For the renewable energy segment, TCC subsidiary Chang-Wang Wind Power installed 14.4MW of wind power installation and another subsidiary TCC Chia-Chien Green Energy began the construction of the 44MW fishery-solar installation. Furthermore, TCC Hoping Plant established “TCC DAKA Eco-Circular Park” to help rejuvenate local business and culture and demonstrate communal friendliness with the local communities. These achievements show that TCC is moving toward our goal with unwavering determination.

Mainland China cement market was affected by the COVID-19 pandemic which caused cement price and net income to show on-year decrease. Nevertheless, due to limited impact of the COVID-19 pandemic and meticulous cost management in the Taiwan business plus net income growth of various subsidiaries, the consolidated after-tax net income reached a historical high in 2020.

TCC’s 2020 consolidated revenue was NT\$114.37 billion, showed an on-year decrease of 6.9%. After-tax net income reached NT\$25.10 billion, representing an on-year growth of 3.7%. The annual budget achieve rate was 180.5% with earnings per share (EPS) reaching NT\$4.32.

The combined cement and clinker production volume of Taiwan and Mainland China businesses reached 57.32 million tons in 2020, showing an on-year decrease of 1.0% compared to 57.92 million tons in 2019. In particular, Taiwan's sales volume of cement and clinker reached 4.69 million tons, representing an annual growth of 5.5% compared to 4.45 million tons sold in 2019. In Mainland China, sales volume of cement and clinker reached 50.95 million tons, representing an annual decrease of 3.0% compared to 52.53 million tons sold in 2019. The total sales volume of ready-mixed concrete (RMC) in Taiwan and Mainland China was 5.55 million cubic meters in 2020, showing an on-year growth of 2.3% compared to 5.42 million cubic meters in 2019.

To achieve our goal of building a circular economy, TCC has been researching and developing energy conservation, carbon emissions reduction and various resource recycle technologies. In 2020, TCC's R&D team completed the development of usage for recycled pellets, coal ash from garbage incinerators and coal-fired power plants, and industrial wastes. The team also completed R&D of applications to use biofuel and solid recovery fuel (SRF). Furthermore, the team set carbon footprint category structure and obtained carbon footprint certification of TCC's Portland I cement. On top of the achievements aforementioned, the R&D team continues to cooperate with top research organizations to research and develop the new generation of calcium-looping carbon capture technology, microalgae cultivation for carbon dioxide sequestration, new ultra-high performance concrete (UHPC) material and establish cladding panel manufacturing technology.

To achieve the goal of optimizing the manufacturing process and emissions control, TCC also developed numerous smart management systems to help different departments to forecast, set early warning, and use machine-learning to enhance data accuracy.

The COVID-19 pandemic continues to severely impact the world in 2021. Despite various governments' efforts to stimulate the economy through large-scale fiscal and monetary policies, the results have been uncertain. The year 2021 is likely to be another tough year. Humans are a part of nature but technological development has made the relationship between humans and nature more complex

and it is TCC's mission and role to be the practitioner to build a circular economy.

### INDEPENDENT AUDITORS' REPORT

The Board of Directors and Shareholders  
Taiwan Cement Corporation

#### Opinion

We have audited the accompanying financial statements of Taiwan Cement Corporation (the "Corporation"), which comprise the balance sheets as of December 31, 2020 and 2019, and the statements of comprehensive income, changes in equity and cash flows for the years then ended, and the notes to the financial statements, including a summary of significant accounting policies (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Corporation as of December 31, 2020 and 2019, and its financial performance and its cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

#### Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Corporation in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the year ended December 31, 2020. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

The description of the key audit matter of the Corporation's financial statements for the year ended December 31, 2020 is as follows:

#### Revenue Recognition of Cement Sales

The Corporation is mainly engaged in the production and sale of various cement and cement products. Revenue from the sale of cement fluctuates frequently due to changes in raw material prices, market supply and demand and the economic environment; in addition, related revenue is recognized at the point in time when the customer collects the cement and the performance obligations are satisfied. Therefore, the validity of revenue recognition of cement sales is considered a key audit matter for the year ended December 31, 2020. Our main audit procedures performed in respect of the aforesaid key audit matter include understanding and testing the design and operating effectiveness of the internal controls related to the revenue from cement sales, and random inspection of the contracts, factory orders and delivery documents from the sales details and testing the

collection information of the samples before the end of the reporting period, in order to verify the validity of revenue recognition of cement sales.

### **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Corporation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Corporation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the audit committee, are responsible for overseeing the Corporation's financial reporting process.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Corporation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Corporation to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

6. Obtain sufficient and appropriate audit evidence regarding the financial information of the entities or business activities within the Corporation to express an opinion on the financial statements. We are responsible for the direction, supervision, and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the year ended December 31, 2020 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audits resulting in this independent auditors' report are Chih-Ming Shao and Hui-Min Huang.

### INDEPENDENT AUDITORS' REPORT

The Board of Directors and Shareholders  
Taiwan Cement Corporation

#### Opinion

We have audited the accompanying consolidated financial statements of Taiwan Cement Corporation and its subsidiaries (collectively referred to as the "Group"), which comprise the consolidated balance sheets as of December 31, 2020 and 2019, and the consolidated statements of comprehensive income, changes in equity and cash flows for the years then ended, and the notes to the consolidated financial statements, including a summary of significant accounting policies (collectively referred to as the "consolidated financial statements").

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as of December 31, 2020 and 2019, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, and International Financial Reporting Standards (IFRS), International Accounting Standards (IAS), IFRIC Interpretations (IFRIC), and SIC Interpretations (SIC) endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

#### Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the year ended December 31, 2020. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

The description of the key audit matter of the Group's consolidated financial statements for the year ended December 31, 2020 is as follows:

#### Revenue Recognition of Cement Sales

The Group is mainly engaged in the production and sale of various cement and cement products. Revenue from the sale of cement fluctuates frequently due to changes in raw material prices, market supply and demand and the economic environment; in addition, related revenue is recognized at the point in time when the customer collects the cement and the performance obligations are satisfied. Therefore, the validity of revenue recognition of cement sales is considered a key audit matter for the year ended December 31, 2020. Our main audit procedures performed in respect of the aforesaid key audit matter include understanding and testing the design and operating effectiveness of the internal controls related to the revenue from cement sales, and random inspection of the contracts, factory orders and delivery documents from the sales details and testing the collection information of the samples before the end of the reporting period, in order to verify the validity of revenue recognition of cement sales.

#### **Other Matter**

We have also audited the parent company only financial statements of Taiwan Cement Corporation as of and for the years ended December 31, 2020 and 2019 on which we have issued an unmodified opinion.

#### **Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements**

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Financial Reporting Standards (IFRS), International Accounting Standards (IAS), IFRIC Interpretations (IFRIC), and SIC Interpretations (SIC) endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the audit committee, are responsible for overseeing the Group's financial reporting process.

#### **Auditors' Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient and appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision, and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the year ended December 31, 2020 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Chih-Ming Shao and Hui-Min Huang.
